CHECKOUT COUNTERS

CHECKOUT COUNTERS

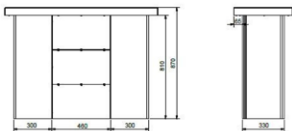

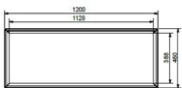

Nowadays, the more and more shops (even the small ones) decide to introduce self-service sale. This is a proven solution – thrifty for owner of a shop and convenient for clients who usually prefer choosing products on their own and watching them closely before buying.

However, in each shop finally you need to pay. In small selfservice shop clients pay best standing next to checkout counter GSK.

Checkout counters GSK were designed for small and medium stores. They are small, cost efficient and user friendly. They will fit even into small space.

Table top is inlaid with stainless steel (acid-proof).
